

# Italian Global Community of Knowledge Management

The Italian Global Community of Knowledge Management (IGCKM), a vibrant, inclusive, and forward-thinking space where knowledge meets curiosity, and research meets purpose. We are more than a network. We are a global, open, and transdisciplinary community of scholars, professionals, and curious minds who believe that Knowledge Management is not just a field of study, it's a lens through which we can understand, interpret, and transform the world around us.
